RE: Pledge to the Citizens of Stanislaus County

Adam Christianson, Sheriff
250 E. Hackett Rd.
Modesto, CA 95358

Dear Sheriff Christianson:

It is with great pleasure that I have this opportunity to thank you for attending our public forum on Monday evening April 12th and discussing your position regarding CCW issues. Additionally, the information regarding the difficulty your department faces in keeping Officers on the road is a wake up call for all citizens concerned with public safety.

Your willingness to affirm each law abiding citizens right to arms by signing the above reference pledge stating that "self protection shall always constitute 'good cause' for the issuance of a permit to carry a concealed weapon" is a bold and courageous step for law abiding citizens of your County.

As a result of your commitment, I received a call from Roy Wasden, City Manager for Turlock, who requested that I meet with their Police Chief and develop a new policy for that jurisdiction.

On behalf of the Madison Society and the citizens of Stanislaus County, Thank You.

Sincerely,

Virgil J. McVicker, President
Col. USA Retired
